

FAA-PMA REPLACEMENT PARTS – LIGHTING

Evolution AEROSPACE, INC. understands the prohibitively high cost of maintaining Grimes® legacy lighting systems. That's why we have developed an extensive, high quality line of alternative parts for your lighting requirements. From motors to capacitors, from transformers to flash tubes, we have dozens of cost effective, high quality, FAA Approved replacement components.

- FAA-PMA Approved parts for the most common lighting requirements
- FAA Approved repairs for popular Grimes systems
- We've made thousands of lighting systems repairs possible

And... we look forward to working with you if you have special requirements not on our current line card.
