Limited Warranty Policy

Evolution Aerospace, Inc. ("Seller") warrants that the Product¹ shall be free from defects in material and workmanship under normal use and service for the earlier of the periods specified for the relevant Product in the schedule below, or upon the installation of the Product on an aircraft. The foregoing warranty is limited to work performed or Products manufactured by Seller, and Seller will cooperate with Customer, at Customer's sole cost and expense, to assign any manufacturer's warranty to Customer for any Product not manufactured by Seller, but in no event shall Seller be liable for any failure of the manufacturer to assign such warranties. The limited warranty of Seller hereunder shall be void to the extent that a Product has been disassembled, repaired, or altered outside of Seller's place of business (unless prior written authorization was granted by Seller) or if the Product is subject to misuse, accident, or improper installation, or operated or maintained outside of the manufacturer's specifications. Except for the limited warranty of Seller hereunder, any Product being sold or delivered to Customer is sold or delivered without any representation, warranty, or guarantee of any kind by Seller, its agents, members, directors, officers, etc., express or implied, arising in law or otherwise and Seller disclaims all express or implied warranties whether arising in law, in equity, in contract, or in tort, including, without limitation, any implied warranty of merchantability, design, condition, or fitness for a particular purpose.

The foregoing warranty shall only apply if all of the following conditions are met:

1. The Product subject to the warranty claim, along with all information reasonably requested by Seller, has been returned to Seller as soon as reasonably possible and no later than thirty (30) calendar days of Product failure date, at Customer's sole risk and cost. Products must be returned in "as removed condition," D.D.P. (Incoterms 2017) to Seller's designated location and must be accompanied by a Return Materials Authorization ("RMA") requested by Customer and issued by Seller in advance.
2. No substitute parts shall have been installed in the Product without prior written authorization from Seller.

¹ All defined terms herein shall have the definition as set forth in the General Terms and Conditions of Sale.

3. The Product shall not have been disassembled, repaired, or altered outside of Seller's place of business without prior written authorization from Seller.
4. The Product shall not have been subject to misuse, accident, or improper installation unless proof is submitted to the satisfaction of Seller, and Seller determines in its reasonable discretion, that such abuse was not a cause for the claimed defect.
